Editorial Comment—Numismatic News

BUYING COINS FROM THE MINT.

I feel that the continued attitude of the U. S. Treasury Department has come to a point where the members of the American Numismatic Association should protest as a body, and in so doing make it possible for the average coin collector to have a decent break comparable with that of the stamp collector. This year a new ruling of the Treasury Department states that no more than two coins of any one issue will be available to each collector (uncirculated coins). Stamp collectors may buy as many stamps as they wish.

I have just received a letter from the Philadelphia Mint in reply to my request for a proof Jefferson nickel, telling me that only complete sets will be issued. I have always collected dates of dimes, nickels and cents. Why should I be forced to buy a complete set for which I have no use. Several months ago I wrote the Treasury Department requesting specimens of 5c., 1c. and 10c. unc. of Denver and San Francisco Mints, and received in reply a letter telling me I must apply to the Federal Reserve Bank for these coins. It seems to me the Treasury Department is doing everything in its power

to discourage the numismatist. In writing this letter I am hoping that the Association may bring this whole matter to the attention of the proper authorities and thereby bring about a more co-operative attitude by the Treasury Department.

ERIC LEAVENS (A. N. A. 4064).

Alston Court, Red Bank, N. J.

The letter from the Philadelphia Mint referred to by Mr. Leavens reads as follows:

"This is to acknowledge receipt of your order for one 1938 proof coin and cash in the amount of 28 cents enclosed. Please be advised that we are unable to fill your order for 1938 proof Jefferson nickel, as the 1938 proof coins we have on hand are a limited supply of full sets that are being held available for sale in sets only until sold.

"We will thank you for immediate advice as to whether you desire to increase your remittance to cover the cost of a full set (\$1.81 plus postage and parcel post insurance 8c.) or to cancel your order. In the absence of an immediate reply your remittance will be returned to you in due course."

"By RALPH ROLAND, Acting Superintendent."

ROCHESTER ASSOCIATION ISSUES PRESIDENTIAL MEDAL.

Following its annual custom, the Rochester Numismatic Association, Rochester, N. Y., has issued its presidential medal for 1938. The president during the past year was F. Emmett Peake, and the obverse of the medal bears his portrait.

The reverse is from a die used throughout the series. The obverse die is by A. A. Kolb, a member of the Rochester Association.

DESIGN OF JEFFERSON NICKEL NOT TO BE CHANGED.

Almost invariably when a coin of new design is issued in the United States there are rumors that the coins are to be withdrawn from circulation and some changes, radical or otherwise, are to be made in the designs. The result is that the new coins are hoarded in the hope that some day they may command a premium. The new Jefferson nickel is no exception. Since this coin made its appearance there have been rumors that it was to be withdrawn from circulation. At a recent press conference, however, Henry Morgenthau, Jr., Secretary of the Treasury, said that 32,000,000 of the new nickels had been minted and their apparent scarcity was probably due to their being saved as souvenirs. Regarding their withdrawal, he said: "I hereby make a formal statement that the Jefferson nickel will not be withdrawn from circulation. I am aware of no defects."

Minutes of Meeting of Jan. 17th, 1939

The 609th meeting of the Rochester Numismatic Association was held on Jan. 17th at the Rochester Museum of Arts and Sciences with President Elston presiding.

The minutes of the previous meeting were read and approved.

Minutes of meeting of Feb. 7th 1939

The 610th meeting of the Rochester Numismatic Association was held on Feb. 7th at the Rochester Museum of Arts and Sciences with President Elston presiding and 15 members and 5 visitors present. The small attendance was due, no doubt to the very bad weather.

The minutes of the previous meeting were read and approved.

The visitors, J. H. Taber, C. L. Cooke, Lee Sherwood, A. J. A. Toth, and E. N. Hurlburt, were introduced.

The Publicity Committee reported having sent notices of the meeting to the daily papers. A good deal of advertising will be obtained through the activities of Coin Week.

The Program Committee is active arranging interesting programs for our meetings. A Visitors Night is being planned for Mar. 21st and a Ladies' Night for April 18th. The Central New York Meet which will be held this Fall will be another high-light of our program.

Mr. Magnus Johanson, 734 Woodbine Ave. who was a member in 1934 was unanimously re-elected to membership and the applications of Lewis John Bark 57 Brockley Rd., John M Whitbank, 7 Vassar St., and Lee N. Sherwood, 632 Averill Ave were read.

It seemed to be the opinion of many of the members that the membership list should contain, in addition to the name and address, the telephone number and specialty of each member.

The members were requested not to place their coats on the exhibit cases because they obstruct the view of the coins therein.

A letter was read from Ted Hammer, Chairman of National Coin Week. A motion was made by Mr. Amberg and seconded by Mr. Bumphrey that we participate in the Coin Week Activities by placing exhibits, giving talks, etc. Carried. The chairman of the Publicity Committee was appointed chairman of the Coin Week Activities Committee. His assistants are, Amberg, Meinhardt and Swartz.

Rochester Numismatic Association
Secretary's Report for 1939

The year 1939 started off with a very fine banquet at the Seneca Hotel on Sat. Jan. 7th which was attended by 35 R.N.A. members and their friends. It was followed by the installation of the following officers:- President, William A. Elston; Vicepresident, Leslie C. Swartz; Secretary, Floyd B. Newell; Treasurer, Edward E. Meinhart; Curator, Gustav J. Lindboe; Chairman of Executive Committee, George J. Bauer.

We took as our main project the building of a larger and more efficient library. The book case which Mr. Bloom gave us was refinished by the Museum and is now in use. Our Librarian, Mr. Cohen, and his assistant Mr. Shaw, have arranged the books and have made them available for the members to use. Among the additions to the library are:- three books donated by Mr. Bauer, two books obtained as second prize for the Coin Week exhibits, etc. a copy of Lockhart's book on Chinese Coins, pamphlets from the American Numismatic Society, the year's issue of Numismatist, Coin Collector's Journal and Numisma.

Our Program Committee (Chairman, Mr. Bloom), has made our meetings more interesting by obtaining speakers on various phases of numismatics. Special programs have been arranged for Visitors' Night, Ladies' Night, Caledonia and Perry Hobby Club Night. Among the talks given were;- 'The History of Fractional Currency' by Bloom; 'The Relative Value of Monetary Metals' by Lindboe; 'Medals and Medallion Art' by Kolb; 'Little Known Facts About U.S. Coins' by Sunday; 'Military Medals' by Studley; 'The Ladies on Ancient Coins' by Bauer; 'The Ups and Downs of Coinage' by Peake; 'Massachusetts Currency' by Greendyke; 'The Making of a Medal' by Kolb; 'The Production and Life of Money' by Swartz; 'Ancient, Biblical, and United States Coins' by Bauer, Lindboe and Sunday; 'The Development of Lantern Slides for Coins' by Newell. Coins were displayed at the meetings by Bauer, Plumb, Harzinski, Foster, Bloom, Greendyke and others. Two picnics were enjoyed by the members and their families, one at Peake's Point and the other at Powder Mill Park.

A large amount of work has been done on the identification and cataloguing of the coins in the R.N.A. collection. Mr. Lindboe, our curator started the work with the assistance of Mr. Peake. On May 2 Mr. Lindboe resigned and Mr. Peake was appointed curator with Mr. Whitbank as assistant. There is still a large amount of work to be done. During the past year, there has been several additions to the collection. Mr. Kolb donated a bronze proof of the Rochester Civic Medal. Mr. Bloom donated a plaque showing the proper and improper ways of holding coins.

The following new names have been added to our list of members this year;- H. G. Aldridge, M. Johanson, L. N. Sherwood, J. M. Whitbank, L. J. Bark, D. B. Shaw, W. M. Hutchinson, T. Kline, D. E. O'Brien, E. N. Hurlburt, W. M. Elston, Jr., G. J. Mailander, J. W. Miller, F. E. King, V. J. Judson, C. W. Foster, J. M. Riley, H. Susman, N. F. Prince. Two of our members resigned and 6 were dropped and 3, F. B. Grover, J. W. Horner and E. N. Hurlburt have died. Therefore our net increase in membership is 8 and our present enrollment is 58. We can be glad that we have 4 of our charter members, Bauer, Bernstein, Amberg and Plumb. This year we elected one honorary member, Mr. Edward T. Newell of the American Numismatic Society. We held 22 meetings this year with an average total attendance of 28.1 of which 22.3 were members and 5.8 visitors. Four of our members, Amberg, Elston, Newell and Sloane had perfect attendance and 2, Kolb and Plumb missed but one meeting.

One of the outstanding events of the year was Coin Week of which Dr Cady was chairman. We had displays in many stores and banks including Sibley's, Scrantom's, Taylor Instrument Cos., Lincoln Alliance Bank, Union Trust, Security Trust and others. Talks were given by Lindboe, and Gillette and radio talks by Meinhart and Cady (over WSAY). As a result we were awarded second prize by the A. N. A.

Another outstanding event was the Central New York Meet which was held at the Rocheater Hotel on Oct. 21. under the management of L. C. Swartz. There were exhibits by Bauer, Foster, Kaufman, Studley and Plumb.. An auction was held in the afternoon and a banquet in the evening , followed by entertainments and illustrated talks.

Several talks were given before outside groups such as Boy Scout Troops at schools and churches, evening high school classes. Mr. Bauer gave a talk at the banquet of the Buffalo Numismatic Association which was illustrated with lantern slides by Newell. Mr Bauer also represented the R. N. A. at the A. N. A. convention.

Abstracts of the minutes of the meetings have been published in the Numismatist. A short article on the R. N. A. was published in the Museum News. The P.N.A. has been represented on the Hobby Council by Dr. Cady. Auctions have been held after most of the meetings. A design for the P.N.A. seal for use on letter heads and membership cards has been designed by Mr. Kolb. The anniversary medal of the retiring president has been made by Mr. Kolb. The R.N.A. is a member of the A.N.A, the A.N.S. and the Rochester Museum Association.

It is the spirit of good fellowship and cooperation which has existed in our meetings and which is more important than anything else which has made the accomplishments possible.

The following officers were elected for 1940:- President, Leslie C. Swartz; Vicepresident, Floyd B. Newell; Secretary, Thomas Kline; Treasurer, Edward E. Meinhart; Curator, Emmett Peake.
